*1,339 clients have a PCM span but no RCO span

**9 RCO enrolled clients have a county code of 00 (not associated with a RAE)

***8 clients are enrolled in PACE (so don't have a RAE assignment), and 32 clients have a county code of 00 (not associated with a RAE)

****114,170 clients are not considered due to PACE or eligibility type; 8 clients have county code of 00.

A client would be counted in RAE 1 for the following reasons:

- If the client requested their current PCMP (and are RCCO enrolled), and the PCMP is assigned to RAE 1 based on the PCMPs location
- If the client did not request their current PCMP (and are RCCO enrolled), and live in RAE 1
- If the client does not have a current PCMP (and are RCCO enrolled), and live in RAE 1
- Any Medicaid eligible client that is not RCCO enrolled, do not have eligibility type 009-014, 017-019, are not enrolled in PACE, and live in RAE
